Project No. 4-7941/7945

Village of Chatham  
117 E. Mulberry  
Chatham, IL. 62629

ATTENTION: Mr. Shane Hill  
Electric Superintendent

Dear Sir:

We propose to provide Labor and Equipment to complete the underground primary work indicated on your drawings for the Lump Sum Price of \$225,000.00. We will install load break elbows on the new conductor for the unit price of \$63.85. Our price is based on the assumptions included in our original proposal dated November 12, 1996.

This price does not include any provisions for overtime, boring or digging in sandstone, pulling wire in conduit after conduit has been installed by boring, removal of obstructions that cannot be bored, backhoe excavation, landscape restoration, unavoidable property damage, or cost of access to perform work.

This price is valid for acceptance for 60 days from the above date.

Thank you for the opportunity to quote on this project.

Yours truly,

THE L. E. MYERS CO.
