The Local CURE Program is funded from financial assistance the State of Illinois received through the U.S. Department of the Treasury's Coronavirus Relief Fund (CFDA No. 21.019) authorized under section 601(a) of the Social Security Act, as added by section 5001 of the Coronavirus Aid, Relief and Economic Security Act, P.L. 116-136 ("CARES Act").

As a Local Government recipient of financial support through the Local CURE program, the Local Government is required to utilize the financial support received from the Illinois Department of Commerce and Economic Opportunity (the "Department") for the specific purposes as set forth below. To participate in the Local CURE Program, the Local Government must remain in compliance with the terms and certifications stated herein. Please review the items below carefully, as the Local Government and its representative shall warrant that all material facts presented are accurate. The Department may enter into an agreement with one or more third parties to assist in the administration of the Local CURE Program. The Local Government shall adhere to all instructions or guidance issued by the Department's third party vendors in addition to those of the Department.

The allowable uses of program funds and eligible expenditures set forth in this certification will be modified by the Department, in accordance with the Illinois Administrative Procedure Act, if the CARES Act or the U.S. Department of the Treasury guidance is amended to authorize different categories of eligible uses or eligible expenses.

The Local Government should return this signed Financial Support Conditions and Certification by **October 1, 2020**.
