

RESOLUTION NO. 2-75

RESOLUTION WITH RESPECT TO NATIONAL FLOOD INSURANCE PROGRAM

WHEREAS, certain areas of Chatham, Illinois, are subject to periodic flooding from streams, causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of the President and Board of Trustees of the Village of Chatham, Illinois, to require the recognition and evaluation of flood hazards in all official actions relating to land use in the flood plain areas having special flood hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to Ill. Rev. Stat., 1973, Chap. 24, Sec. 11-13-1;

NOW, THEREFORE, BE IT RESOLVED, that THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF CHATHAM, ILLINOIS, hereby:

1. Assure the Federal Insurance Administration that it will enact as necessary, and maintain in force for those areas having flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

2. Vest THE VILLAGE PRESIDENT with the responsibility, authority, and means to:

(a) Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special

flood hazards on available local maps of sufficient scale to identify the location of building sites.

(b) Provide such information as the Administrator may request concerning present uses and occupancy of the flood plain area.

(c) Cooperate with Federal, State, and local agencies and private firms which undertake to study, survey, map, and identify flood plain areas, and cooperate with neighboring communities with respect to management of adjoining flood plain areas in order to prevent aggravation of existing hazards.

(d) Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the development and implementation of flood plain area management measures.

3. Appoint the DIRECTOR OF BUILDING AND ZONING to maintain for public inspection and to furnish upon request a record of elevations in relation to mean sea level of the lowest floor including basement of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.

4. Agree to take such other official action as may be reasonably necessary to carry out the objectives of the program.
