RE:

Hurstbourne Plat 5

G&B# 93194

Dear Del:

I am in receipt of John Raynolds' October 10th letter requesting to reduce the bond from \$195,000 to \$58,500. A pre-final cursory inspection was held on October 18th with Vern Cummings and myself. The following items are still deficient:

- 1. Copies of all subgrade and material testing including asphalt extraction and Marshall results.
- 2. Locate and find/raise sanitary manholes.
- 3. Complete <u>revised</u> detention and paved swales
- 4. Grade out "duck" ponds to proposed paved swale south of Hurstbourne Lane.
- 5. Clean storm inlets. Replace Type 9 Grate at Inlet B-1.
- 6. Turn all hydrants as required and lower water valves to grade as needed.

After reviewing the above punchlist, I would recommend setting the amount at \$70,000 due the revised detention and amount of work to be completed.

Respectfully,

GREENE & BRADFORD, INC.
