PREAMBLE

The Village of Chatham, an Illinois municipal corporation, hereinafter referred to as the "Employer" and the International Union of Operating Engineers, Local 965, hereinafter referred to as the "Union," enters into this Contract.

The purpose of this Contract is to provide an orderly collective bargaining relationship between the Employer and the Union representing the employees in the bargaining unit, and to make clear the basic terms upon which such relationship depends. It is the intent of both the Employer and the Union to work together to provide and maintain satisfactory terms and conditions of employment, and to prevent as well as to adjust misunderstandings and grievances relating to employees' conditions of employment including but not limited to wages, hours and working conditions.

In consideration of mutual promises, covenants and Contract contained herein, the parties hereto, by their duly authorized representative and/or agents, do mutually covenant and agree as follows:

ARTICLE I - RECOGNITION

Section 1. Unit Description - The Employer hereby recognizes the Union as the sole and exclusive collective bargaining representative for the purpose of collective bargaining on matters relating to wages, hours, and other terms and conditions of employment of all Village of Chatham employees as certified under SLRB No. S-RC-00-16. Except as indicated below, all full-time and temporary full-time employees of the Village of Chatham, employed in the Administrative Department, Street Department, Water and Sewer Department, Parks Department, Maintenance Department and Police Department are covered by this Agreement. Guards, supervisors, confidential employees, accountants, police officers and firefighters and others not identified above are excluded from coverage under this Agreement.

Section 2. Short-Term/Part-Time Employees - The Employer may continue to utilize the services of short-term and part-time employees to perform bargaining unit work in accordance with past practice so long as they do not cause layoffs, reduction of regularly scheduled hours. Full-time employees shall be those employees who are expected to be scheduled to work forty (40) hours per workweek for twelve months. Temporary Full-Time employees are expected to be scheduled forty (40) hours per workweek for a period of more than six (6) months, but less than twelve (12) months. Permanent Part-Time employees are those employees who are expected to be scheduled less than an average of twenty-four (24) hours per workweek for twelve (12) months. Seasonal employees are those employees who work no more than two (2) consecutive quarters in a calendar year.

Section 3. Individual Agreements - There shall be no individual agreements between the Employer and the bargaining unit employees that conflict with or supersede this Agreement.

Section 4. New Position Classification - If a new position or classification is agreed to by the parties, the parties shall negotiate the proper pay, the appropriate unit and the proper classification. If no agreement is reached within thirty (30) calendar days from the date the

position or classification was established, the Union may appeal the matter to the arbitration step in the grievance procedure.

Section 5. Internal Postings - The parties agree that if there is an internal posting for a specific department, only the members of that specified department will have the ability to apply under the internal posting. If said position is not filled via internal posting, any and all employees of the Village of Chatham can apply for said position once said position is posted externally.

ARTICLE II - MANAGEMENT RIGHTS

The Employer possesses the sole right to operate the Departments of the Village and all management rights repose in it. Except as specifically limited by the express terms of this Agreement, these rights include, but are not limited to, the following:

- e) To lay off employees;
- f) To maintain efficiency of Departments' operations;
- g) To introduce new or improved methods or facilities;
- h) To change existing methods or facilities;
- i) To determine the kinds and amounts of services to be performed as pertains to Departments' operations; and the number and kind of employee and classifications to perform such services;
- j) To contract out for goods or services;
- k) To determine the methods, means and personnel by which Departments' operations are to be conducted;
- l) To take whatever action is necessary to carry out the functions of the Departments in situations of emergency.

It is understood and agreed that any of the rights, powers, or authority the Village had prior to the signing of this Agreement are retained by the Employer except those specifically limited by the express terms of this Agreement.

ARTICLE III - SUBCONTRACTING

Section 1. General Policy - It is the general policy of the Employer to continue to utilize employees to perform work they are qualified to perform. However, the Employer reserves the right to contract out any work it deems necessary in the interests of economy, improved work product, or emergency.

Section 2. Notice and Discussion - Absent an emergency situation, prior to the Employer subcontracting bargaining unit work, when such subcontracting results in loss of work of bargaining unit employees, the Employer shall notify the Union and offer the Union an opportunity to discuss and participate in considerations over the desirability of such subcontracting of work, including means by which to minimize the impact of such on employees.

ARTICLE IV - UNION BUSINESS/UNION SECURITY

Section 1. Condition of Employment and Dues - As a condition of continued employment, all employees included in the collective bargaining unit, ninety (90) days after the start of their employment with the Employer or the effective date of this Agreement, whichever is later, shall become members of the Union and pay to the Union periodic monthly dues and initiation fees uniformly required of all union members or pay to the union a fair share fee equivalent to the periodic monthly dues required of union members.

Section 2. Dues Deduction - The Employer agrees to deduct the periodic monthly membership dues and initiation fees from the pay of each employee who voluntarily submits a proper check-off authorization form and remit such deductions to the Union. The Employer shall automatically deduct the periodic monthly service fees equivalent to the Union's periodic monthly membership dues from the pay of each employee who elects not to become a Union member and remit such deductions to the Union on the first of the following month. One-half the monthly dues shall be deducted from each paycheck.

Section 3. Dues Notification - The Union shall notify the Employer in writing of any changes in the amount of dues, initiation and fair share fees. The Employer agrees to furnish the Union a monthly record, including Social Security Number, of those employees for whom deductions have been made and the amount deducted.

Section 4. Non-Association Based Upon Bona Fide Religious Tenets - The parties agree that where an employee is a member or has a religious feeling or belief with the conviction of a traditional religious belief, the safeguards under the Illinois Labor Relation Act shall apply. As such, an amount equal to his/ her proportionate share to a non-religious charity mutually agreed upon by the employee and the Union will be chosen. If the employee and the Union are unable to come to an agreement on the matter, an organization shall be chosen by the employee from an approved list of charitable organizations established by the Illinois Labor Relations Board.

Section 5. Union Access to Property - Union representative(s) from IUOE Local 965 shall be granted access to the premises of the Employer in order to conduct Union business. It is not the intent of the Union to disrupt the normal work process. However, necessary discussions

will be held as to be non-disruptive as possible. Lengthy discussions will be held on employees' time only.

Section 6. Union Stewards - The Union shall appoint Union stewards as necessary to assist in the compliance of the contract. In the event of dispute, the stewards will be allowed reasonable time to conduct Union business as necessitated by dispute or problems without loss of pay or benefits. An employee scheduled to work during the time negotiation meetings are scheduled shall be allowed time off from work with pay and benefits.

Section 7. Non-Discrimination - The Employer agrees that there will be no discrimination against stewards or officers of the Union engaged in the negotiation of agreements, the adjustment of grievances or the performance of related work in the interest of the Union and its members.

Section 8. Notification - The Union shall be given a fourteen (14) day notice prior to any new hire of the Village and/or any benefit change or offer to the employees.

ARTICLE V - NO STRIKE/NO LOCKOUT

Section 1. No Strike/No Lockout Commitment -

- a) Neither the Union nor any employee will call, initiate, authorize, participate in, sanction, encourage, or ratify any work stoppage, slow down, or the concerted interference with the full, faithful and proper performance of the duties of employment with the Employer during the term of this Agreement. Failure to cross a picket line by whomever established, is subject to the penalties of Section 3, if refusal to cross such picket line interferes with the full, faithful and proper performance of the employee's job duties.
- b) The Employer agrees not to lockout the employees during the term of this Contract.
- c) The Employer will take such actions within its authority to minimize the possibility of employees having to cross a picket line.

Section 2. Resumption of Operations - In the event of action prohibited by Section 1 above, the Union immediately will disavow such action and request the employees to return to work, and will use its best efforts to achieve a prompt resumption of normal operations. The Union, including its officials and agents, will not be liable for any damages, direct or indirect, upon complying with the requirements of this Section.

Section 3. Discipline of Strikers - Any employee who violates the provisions of Section 1 of this Article will be subject to immediate discharge. Any action taken by the Employer against any employee who participates in action prohibited by Section 1 above will not be considered as a violation of this Agreement and will not be subject to the provisions of the grievance procedure, except that the issue of whether an employee in fact participated in a prohibited action will be subject to the grievance and arbitration procedure.

ARTICLE VI - EQUAL EMPLOYMENT

The Village of Chatham is an equal employment opportunity Employer, hiring employees without regard to race, creed, color, national origin, religion, ancestry, marital status, age, sex, physical or mental disability, membership in the Union, current employment with the Village, or any other form of discrimination under Federal or State law or Government contract regulation.

ARTICLE VII - SENIORITY

Section 1. Definition of Seniority - As used herein, the term "seniority" will refer to and be defined as the continuous length of service as a full-time employee in each job classification and each Department covered by this Agreement from the date of last hire within each Department.

Section 2. Probation Period - An employee is a "probationary employee" for their first ninety (90) calendar days of employment. No matter concerning the discipline, layoff or termination of a probationary employee will be subject to the grievance and arbitration procedures. A probationary employee will have no seniority except as otherwise provided in this Agreement, until they have completed their probationary period. Upon the completion of the probationary period, they will acquire seniority from their date of hire.

Section 3. Seniority List - Lists shall finally resolve all questions of seniority affecting employees covered under this Agreement or employed at the time the Agreement becomes effective. Seniority shall be by department and prevail in lay-off and vacation requests. Disputes as to seniority listing shall be resolved through the grievance procedure.

Section 4. Termination of Seniority - An employee will be terminated by the Employer and his seniority broken when he or she:

- a) quits; or
- b) is discharged for just cause; or
- c) is laid off pursuant to the provisions of the applicable agreement for a period of twenty-four (24) months; or
- d) accepts gainful employment while on an approved leave of absence from a Department unless the employment is part of the request for leave; or
- e) is absent for three (3) consecutive scheduled work days without proper notification or authorization; or
- f) fails to return to work at the conclusion of an approved leave of absence for a period of three (3) consecutive days.

Section 5. Seniority While On Leave - Employees will continue to accrue seniority credit for time spent on authorized paid leave of absence. Employees on unpaid leave of absence

(except those on reserve military leave) shall not accrue paid holidays, vacation, sick leave or any other paid time off.

Section 6. Seniority For Filling Position(s) - For at least five (5) calendar days, the Employer shall post notice of any vacancy internally to all other bargaining unit employees. All bargaining unit employees in the department that has the vacancy may apply for said position pursuant to said internal posting. The Employer also may take steps to recruit or advertise the vacancy outside the specific office as deemed appropriate. An employee covered by this Agreement desiring to bid on the posted vacancy shall submit their name and any other materials in support of their bid by the date indicated on the posted notice to be eligible for consideration. Employees within the specified Department shall be given first consideration. Where qualifications to perform the required work, as determined by the Employer, are relatively equal among the employees concerned, the Employer shall fill the vacancy by selecting the employee with the greater seniority.

ARTICLE VIII - DISCIPLINE AND DISCHARGE

Section 1. Disciplinary Actions - The Employer agrees with the tenets of corrective and progressive discipline. Disciplinary action shall include only the following:

- a) Oral warning
- b) Written warning
- c) Suspension without pay
- d) Discharge

Disciplinary actions will be based on the severity of the violation. Cause for discipline shall include but is not limited to the following: various acts or actions of misconduct, violations of Department or Village policies and procedures, violations of standing operating procedures, Village Handbook or conduct which causes unreasonable risk to persons or property.

Section 2. Discipline and Timing - The Employer agrees that disciplinary action for a non-probationary employee shall only be imposed for just cause. Said investigation into the misconduct, if needed, shall occur as soon as practical after Employer learns of the occurrence giving rise to potential need for disciplinary action. After Employer has a reasonable opportunity to investigate the facts, the Employer shall impose discipline in a reasonable time frame.

Section 3. Use of Progressive Disciplinary Action - The requirement to use progressive disciplinary action does not prohibit the Employer from using a more severe measure, including discharge, when the offense indicates that a substantial shortcoming or action of an employee renders the continuation of employment, or the employee, is detrimental to the Employer.

Section 4. Disciplinary Notification - Both the employee and the Union shall be notified of disciplinary action. Such notification shall be in writing and reflect the specific nature of the offense and directions to the employee for future behavior. The employee will be entitled to Union representation and advised of such at any and all disciplinary actions by the Employer or their designee.

ARTICLE IX – GRIEVANCE PROCEDURE

Section 1. Definition of a Grievance - A grievance is defined as any unresolved difference between the Employer and the Union or any employee regarding the application, meaning or interpretation of this Contract. This grievance procedure is subject to and shall not conflict with any provisions of the Illinois Public Labor Relations Act.

Section 2. Oral Grievance - In the interest of resolving disputes at the earliest possible time, it is agreed that an attempt to resolve a dispute will be made between the employee and his/her Director or Director's designee. The employee will orally make his grievance to his/her Director or Director's designee within five (5) days of the occurrence giving rise to the grievance. The Director or Director's designee will notify the employee of the decision within five (5) working days following the day when the oral grievance was made. Settlements or withdrawals at this step shall not constitute a precedent in the handling of other grievances. The employee will first complete his assigned work task and grieve later.

Section 3. Representation - Grievances may be processed by the Union on behalf of an employee or on behalf of a group of employees. The Employer may file Contract interpretation grievances directly at Step 3 of Section 8 of this Article.

Section 4. Subject Matter - Only one subject matter will be covered in any one grievance. A grievance will contain a statement of the grievant's position, the Article and Section of the Agreement allegedly violated, the date of the alleged violation, the relief sought, and the signature of the grieving employee(s) and the date.

Section 5. Time Limitations - Grievances may be withdrawn at any step of the grievance procedure without precedent. Grievances not appealed to the next step within the designated time limits will be treated as withdrawn grievances. The Employer's failure to respond within the time limits will not find in favor of the grievant, but will automatically advance the grievance to the next step, except Step 4. Failure to respond at Step 3 for a period of five (5) working days will automatically advance the grievance to Step 4. Time limits may be extended by mutual agreement.

Section 6. Grievance Processing - No employee or Union representative will leave their work assignment to file or process grievances without first securing permission of their Director or Director's designee. In the event of a grievance, the employee will always perform their assigned work task and file the grievance at the conclusion of the work assignment. Grievances will not be investigated during working hours unless mutually agreed between the Union and the Director or Director's designee that an investigation would expedite the grievance process.

Section 7. Grievance Meetings - A maximum of two (2) employees (the grievant and/or Union Steward) per work shift will be excused from work with pay to participate in a Step 1 or Step 2 grievance meeting. The employee(s) will only be excused for the amount of time reasonably required to present the grievance. The employee(s) will not be paid for any time during which a grievance meeting occurs outside of the employee's work shift.

Section 8. Steps in Procedure - For purposes of this Article only, working day means any day that the administrative offices of the Village are open. Grievances shall be resolved as follows:

- Step 1.** If no agreement is reached between the employee and the Director or Director's designee, as provided for in Section 2, Oral Grievances, the Union will prepare a written grievance on a form supplied by the Union and filed with the Village Clerk no later than five (5) working days after the employee was notified of the decision by the Director or Director's designee. Within five (5) working days after the grievance has been submitted, the Director or Director's designee will meet with the grievant and a Union Steward to discuss the grievance and make a good faith attempt to resolve the grievance. The Director or Director's designee will respond in writing to the grievant and the Union within five (5) working days following the meeting.
- Step 2.** If the grievance is not settled at Step 1 the grievance may be referred in writing, within five (5) working days after the decision of the Director or Director's designee, to the Director and President, or their designee. Within five (5) working days after the grievance has been filed at this Step 2, the Director and Mayor, or their designee, will meet with the Union and the grievant to discuss the grievance and make a good faith effort to resolve the grievance. The Director and Mayor, or their designee will respond in writing to the grievant and the Union within five (5) working days following the meeting.
- Step 3.** If the grievance is not settled at Step 2, the grievance may be referred in writing, within five (5) working days after the decision of the Mayor and Director, or their designee, to the full Village Board, or their designee. Within five (5) working days after the grievance has been filed at Step 3, the full Village Board, or their designee will meet with the Union and the grievant to discuss the grievance and make a good faith effort to resolve the grievance. The full Village Board or their designee will respond in writing to the grievant and the Union within five (5) working days following the meeting.
- Step 4.** If the dispute is not settled at Step 3, the matter may be submitted to arbitration within five (5) working days after the full Village Board's written decision or the expiration of the five (5) working days if the Village Board, or their designee, fail to render a written decision. Within five (5) working days after the matter has been submitted to arbitration, a representative of the Employer and the Union will meet to select an arbitrator from a list of mutually agreed to arbitrators. If the parties are unable to agree on an arbitrator within five (5) working days after such meeting, the parties will request the State Labor Relations Board to submit a list of seven (7) arbitrators. Either party will have the right to reject an entire list of arbitrators with reasonable

explanation. The arbitrator will be selected from the list of seven (7) by alternate strikes by the Employer representative and the Union. The Employer and the Union will take turns as to the first strike with the party asking for arbitration striking first. The person whose name remains on the list will be the arbitrator. The arbitrator will be notified of his selection by a joint letter from the Employer and the Union. Such letter will request the arbitrator to set a time and a place for the hearing subject to the availability of the Employer and Union representatives and shall be notified of the issue where mutually agreed by the parties. All hearings will be held at a neutral site in the Village of Chatham, Illinois, unless otherwise mutually agreed.

Both parties agree to make a good faith attempt to arrive at a joint statement of facts and issues to be submitted to the arbitrator, which will be submitted verbally unless otherwise mutually agreed. Once a determination is made that the matter is arbitral or if such preliminary determination cannot be reasonably made, the arbitrator will then proceed to determine the merits of the dispute. The arbitrator will have no power to amend, modify, nullify, ignore, add to or subtract from the provisions of the Contract. The Employer and Union will share the expenses and fees of arbitration and the cost of the hearing room equally. Each party shall be responsible for compensating its own representatives and witnesses. Costs of arbitration will include the arbitrator's fees, room cost and transcription costs, if any. Nothing in this Article will preclude the Employer and Union from agreeing to use expedited arbitration procedures. The decision and award of the arbitrator will be made within thirty (30) days following the hearing and will be final and binding on the Employer, the Union and the employee or employees involved.

If a paid holiday falls during an employee's paid vacation period, they are eligible for holiday pay or their vacation period shall be extended by one day.

Section 2. Carryover of Vacation Days - Employees may carry over vacation time for twenty-four (24) months after the calendar year in which it is earned. If the carryover vacation days are taken as additional compensation as provided herein, then such compensation shall be based on the rate of pay for the days earned and not on the rate of pay when taken, if there is a difference; vacation days used or paid shall be deducted in the order earned.

Section 3. Requests For Vacation - Preference for vacation shall be given those scheduled by February 15. ARTICLE XII - SICK LEAVE

Section 1. Sick Leave - Full-time employees and Temporary Full-time employees will receive full pay during absence from work due to sickness, with sick days accumulated at the rate of eight (8) hours per month of employment, after ninety (90) days of employment.

- a) Accumulated sick leave is limited to a maximum of 960 hours. In the event the employee continues to be absent from work after the expiration of the time to which he is entitled, his allowance for sick pay will cease. Continued disability pay allowance from Illinois Municipal Retirement Fund would be available following the expiration of sick leave payments. I.M.R.F. rules would prevail in this case. When the services of an employee are terminated as a result of disciplinary action, no compensation will be paid for accrued sick leave. In all other cases, accrued paid sick leave will be paid at one-half (1/2) of the employee's then current straight-time rate of pay.
- b) The Personnel Office will maintain a record of sick days used during the calendar year.
- c) During that time when an employee is off work due to a reduction in force (temporary layoff), no sick days for that month(s) will be accumulated. Any payment due an employee under Worker's Compensation or pension laws or

regulations during or for any particular disability for which he is entitled to pay allowances, will be deducted from such pay allowance.

Section 2. Procedures -

- a) No employee will be permitted to take leave if it has not yet been earned. Sick leave will be paid at full pay at the current rate of compensation.
- b) Sick leave may be utilized by employees for personal illness or illness of the employee's spouse, minor child, domestic partner, sibling, parent, mother-in-law, father-in law, grandchild, grandparent, or step-parent. Sick leave may be taken in half-hour thirty (30) minute increments. Personal illness includes illness, disability or injury, and disability due to pregnancy and the complications of pregnancy. The employee shall contact the Director or their designee within one (1) hour prior to the start time of the affected shift. Sick leave may also be utilized for routine medical and dental appointments.
- c) Upon the prior approval of the employee's Director, an employee may be permitted to take sick leave during the illness, recovery from accident, surgery or pregnancy of the dependent members of employee's household (as if an employee), including spouse, child or parent, to the extent of the employee's accumulated sick leave. No such leave shall be granted retroactive to any application for such leave. The Director's decision to grant or deny such request shall be final.
- d) Employees who are unable to return to work upon expiration of sick leave benefits and all other authorized benefit time must request a leave of absence without pay. Upon the expiration of sick leave benefits and all other authorized benefit time, the Employer shall notify the employee of such expiration. The employee will then have thirty (30) days to apply for a leave of absence for extended illness. Failure to apply for a leave of absence for extended illness upon expiration of all such benefits may result in automatic termination.
- e) Any absence of three (3) working days or longer may require a physician's statement of release and verification substantiating that he may return to work. The Director, or their designee, may also require the employee to be examined by a physician of the Director's, or their designee's, choice and at the expense of the Employer.
- f) Notice of an employee's desire to return to work after an extended illness must be given to the Director, or their designee, no less than twenty-four (24) hours in advance.
- g) The Director or their designee may direct an employee who appears ill to leave work to protect the health of other employees. Compliance with such an order will not be charged to sick leave for the first day.
- h) An employee will be paid sick leave equivalent to the normally scheduled straight-time day.

- i) The Personnel Office shall maintain a record of sick leave accrual, sick leave taken, and the balance of sick leave allowance available for the individual employees.

Section 3. Sick Leave Abuse Sanctions - For the purposes of the provisions contained in this Article, "abuse" of sick leave is the utilization of such for reasons other than those stated in Sections 1 and 2 of this Article. Upon sufficient evidence of the abuse of such sick leave, the employee will not be paid for such leave taken nor will the employee accrue any rights such as seniority or other rights. Abuse of sick leave will subject the employee to disciplinary action pursuant to the terms of this Agreement. All employees agree to cooperate fully with the Department in verifying illness.

ARTICLE XIII - LEAVES OF ABSENCE

Section 1. Discretionary Leave -

- a) The Director may recommend and the Employer may grant leaves of absence, without pay or salary, to full-time employees under their supervision for job-related reasons (such as further training or study), which will enable employees to perform their usual and customary duties with greater efficiency and expertise, or for other valid reasons (such as prolonged illness of the employee, his/her spouse, or his/her child or children, or childbirth).
