RE: Bid for two 2500 HD Trucks

We appreciate the opportunity to price 2500 HD trucks for the Village of Chatham. The bids we have included for your consideration are two 2020 RAM 2500 HD trucks in both gas and diesel. Right now, we are having difficulties getting General Motors HD trucks built and delivered in a timely manner. Along with the cost savings, we feel this will be our strongest chance to earn your business. We feel the RAM's should be delivered in approximately 8 weeks. With your commitment, you will also receive excellent customer service. For any recall or warranty work, simply call our service department and they will gladly pick-up and deliver the truck back free of charge. It will not cost additional if you prefer cloth over vinyl seating. Please contact Michael Barberra if we have secured the bids.
