The second annual Special Olympics Cardboard Boat Regatta presented by Jane Hay Sales and Staging team at the Real Estate Group was held last Sunday. Participants designed and built boats out of cardboard, tape, and glue, decorated them and then raced them across the pond at Sheedy Shores Wine Garden in Loami. It was a successful, fun and amazing day. There were 16 boats entered and awards were given in both categories for Fastest Boat, Best Design and the Fastest Sinkers. Approximately 350-plus people came out to enjoy the festivities. The event in total raised over \$6,000 that will benefit the local athletes of Special Olympics Illinois. This is double from what was raised last year, per Rob Queenan, Assistant Director of Region H for Special Olympics Illinois. Special Olympics Illinois is a not-for-profit organization offering year-round training and competition in 18 sports for more than 21,000 athletes with intellectual disabilities. Special Olympics transforms the lives of people with intellectual disabilities, allowing them to realize their full potential in sports and in life. Special Olympics is 100 percent free to all participants and families.
